## Experience

### Full-time Graphic Designer and Webmaster, EdMedica, LLC

San Diego, CA - Sanatoga, PA

2007 – 2008

As the lead Graphic Designer for EdMedica, I worked on a diverse range of technical projects. Various pharmaceutical clients required informational sites or proprietary PHP coding solutions, which entailed working closely with their representatives to maintain corporate branding. Other clients required design layouts and the output of print materials or on-site signage for Continuing Medical Education (CME) conferences across the United States. I also served as the Webmaster for EdMedica, designing the company website and providing maintenance for the email server and all DNS transfers via PLESK.

### Part-time Seminar Instructor, Mical.com

East Coast, US

2005 – 2008

As a Mical.com seminar instructor, I delivered general and custom training courses for all flavors of graphics and media software to a wide spectrum of the industry. I've trained classes for all of the software packages listed above.
